Thursday 23rd February 2012
An Evening with
SKY SPORTS' Soccer Saturdays' Merson, Le Tissier & Kamara,
'LIVE AND UNCUT!'
Executive Sponsor: WISECALL CLAIMS ASSISTANCE

Dear Sir,

As president of Gateshead Fell Cricket Club I am thrilled and excited to inform you that we have another fantastic sporting dinner arranged.

The date is Thursday 23rd February 2012 and it will be held at the Lancastrian suite Gateshead.

The line up we have been very lucky to assemble are household names and key figures on Sky Sport's, most notably every Saturday where their humour and mad cap antics keep all football fans amused and entertained. Messrs Merson, Le Tissier and Kamara of course are fantastic personalities and rarely appear at such events as a team.

After a four course meal guests will be entertained with anecdotes, stories and tales which will be followed by live questions and answers. Each of the three guys has their respective 'after dinner routine' which has won them individual awards, after taking turns on centre stage for approx. thirty minutes each, with comfort breaks, the night will climax with their 'anything goes' football debate 'Question time style' with audience participation....what could be more engaging and interesting?...not to mention funny!

The night will be fronted by Graeme Forster, the man behind our previous sell out nights with the likes of Keegan, Beardsley, Shearer, Sir Les and more, he will ideally compliment the top table and ensure proceedings are orchestrated to the highest order with his own touch of magic.

Our dinners are perfect for everyone, whether you are a business wanting to network, treat staff, clients or associates or simply a bunch sports fans who just love mixing and listening to the tales. We welcome you to join us on what promises to be another quality night. Whether you are one of our regular 500 plus crowd or a 'first timer', we guarantee you will love our engagement like everyone else in attendance.

We have priced the tables of ten at only £400 which for a four course meal and three top after dinner speakers is excellent value and respective of the current climate. This is because we have been very well supported by all involved thus making it a perfect night out for both corporate and casual friends. Without doubt the best value for money engagement in the North East in 2012.

As a local club we are in real need of financial support to maintain our facilities and help the younger generation enjoy their sport. This sporting dinner will help us immensely and we would love you to be there.

Please return your application form at your earliest convenience and I look forward to seeing there.

Yours in sport,
 Tom O'Connor.
